## SVPS Remote Learning

### Step five:

After you have selected 'Start programme with my child' you will be taken to the main dashboard (below). Select 'Start'.

You will then be transported to this area.

As you can see there are lots of features. The main one to explore is 'library'.

## SVPS Remote Learning

### Step six:

Select your year group.

### Step seven:

You can see this stage has lots of categories. Feel free to explore but after exploring, choose 'library'.

### Step eight:

You will then be taken to the virtual library. Here are some features to take note of.

## SVPS Remote Learning

**Step 8a:** Looking at the genres of books. In this example, 'Animals' has been selected.

Here you can customise the age range to ensure that the book your child is reading is age appropriate.

Scroll through the book selection.

**Step 8b:** Here you can search a range of books. In the left hand column, you can choose which categories you would like browse. Alternatively, you can use the search bar.

**Step 8c:** Selecting 'Book of the Day'. In the library, click on the book. That will take you to this screen.

Press 'Go! See Chapters.'

Each part is split into chapters to so select 'Ready' and you child will be taken to the book – to start reading.

Use the arrows to navigate through the pages.

Occasionally, the child will get the option to do a quiz based on the chapters.
